

Life Cover Benefits

AND THE PURPOSE OF EACH BENEFIT

01

Life Cover

Life Cover has 2 main purposes in which it ensures the family/dependants are financially supported and secondly to cover estate fees.

02

Disability Cover

It offers financial support if you are unable to work due to a disability. It also covers medical costs, adjustments to home, cars etc. This is usually lump sum payment.

03

Severe Illness Cover

This benefit provides lump sum payment in the event where a client is diagnosed with cancer or heart disease. It usually covers medical shortfalls, medical expenses, recovery expenses or to cover every day expenses if no longer working.

04

Income Protection

This benefit replaces your income in the event of temporary booked off due to accidents etc. Or in the event of permanent disability or illness
